Performance time:
11 - 11:30AM

FLEET - Fleet is an indie rock experience from Southeastern Ct. Established in 2016, the band's unique, funky sound has attracted lovers of music from all walks of life across New England. In 2019 Fleet beat out 15 other bands over the course of a five-week battle to win Mohegan Sun's Locals Live contest. The band is currently finishing up their 3rd record.

Performance time:
11:45AM - 12:45pm

LEXI WEEGE & JJ SLATER BIG BAND - Lexi is releasing her third solo album in 2022 collaborating with JJ Slaters. Combining the best of classic country, Motown, and soul...her acrobatic vocals soar high and plunge low, tugging at your heartstrings. Expect to dance, and maybe shed a bittersweet tear, too.

Performance time:

NICK BOSSE - Nick Bosse is an independent Nashville recording artist with 10 years in the music entertainment industry. His soulful country music vocals are backed by a power-house band, The Northern Roots, with talented musicians from Connecticut and Rhode Island. Performance time:
2:45 - 3:45PM

TAYLOR KELLY - Born and raised in the suburbs of Rochester, NY, Taylor Kelly is now a fixture in the vibrant Philadelphia music scene further honing her introspective take on jazz, soul, and funk. She combines her smooth, powerful, technically-informed voice with a full horn section, addictive hip hop and electronic beats, and complex arrangements she writes herself with help from long-time collaborator and trombonist Mike Rilli. Both a vocalist and trumpet player, her sound is a dynamic blend of several established genres: she melds the improvisational looseness of jazz, the rhythmic earworms of funk, and the moving resonance of soul to carve out a niche all her own. Kelly names Stevie Wonder, Roy Hargrove, Erykah Badu and Emily King as influences, integrating strong melodic contour and intricate harmonies into lyrically personal and sonically anthemic tracks.

Performance time:
5:15 - 6:15PM

SOPHISTAFUNK - From underground shows to international festivals, Sophistafunk has been described as "Rage Against the Machine meets The Roots, dipped in P-Funk." They've also become widely known on the touring circuit as a rare Hip Hop meets live electronic jam band, performing multiple sets at Electric Forest and Camp Bisco (USA), as well as BoomTown and Shambala (UK), to name a few. They're well known from New York to New Orleans, and have particularly strong followings in California, Colorado, Michigan, New England, and the Great Northwest, among others.

ROSE ARTS ROAD RACES SUPPORTS LPASF

Half of all proceeds from this race will be donated to the Larry Pontbriant Athletic Safety Fund (LPASF).

The goal of The Larry Pontbriant Athletic Safety Fund is to raise awareness about Sudden Cardiac Arrest, encourage training in CPR and the use of an AED, and to raise funds for the purchase of AEDs for schools, non-profits and athletic fields. The Fund is in memory of Larry Ponbriant an energetic, loving, kind and intelligent 15-year-old who loved his family, friends and sports, especially lacrosse. One of his best athletic assets was his fine conditioning which he accomplished through distance running. Larry collapsed right in front of us, his parents, and friends during a community three-mile fun run at Mohegan Park in his hometown of Norwich, Connecticut, on August 16th, 2007, from a Sudden Cardiac Arrest (SCA). More information about Larry and the LPASF can be found on the website at www.LPASF.org. Special thanks to NFA for providing a closed track for our new Larry Pontbriant Fun Run.
