

If parking inside the building is required, kindly inform me 24h in advance to arrange for your parking access card, which will be kept inside the apartment.

Both free and paid public parking are also available close to the building.

**DEAR GUESTS,**

**You are staying with us in a residential building.**

Guests are allowed to park in our allocated parking slot only

**(B1 - 209)**

located one level down from the Ground level.

The building security is very strict and any violation, like parking in the neighbours' parking slot may result in fines or towing by local authorities.
